Council to note:

Reference: 20/2148/TTCA

Proposal:

T1 - Laylandii row - This row of tree is becoming too big and beginning to dominate the front garden. 1.5m off the top and trimming the edges back as far as possible so still green.

T2 - Yew - This tree is beginning to grow into/ is touching the house from next door. Suggest target pruning back by 1.5m with pruning poles

Site address: 34 High Street Barrington CB22 7QX

Reference: 20/2165/TTCA

Proposal: Common Ash - approximately 20m tall - fell due to proximity to Grade II listed building (The Old Guildhall Listing number TL3930349687). The trunk was previously filled with concrete under supervision of previous owners.

Damson trees - fell three small damson trees (4m tall) due to proximity to Victorian Privy included in listing. The garden contains many other trees it seems unnecessary to replace the felled trees with other trees.
