Cllr Mc Cormick had circulated an example of equipment and quotation for installation of five pieces. However, the positioning on the Challis Green play area still needed to be investigated as it could not go between the Bike Trail equipment. Councillors had been made aware of the Cambridgeshire Community Foundation funding stream which required match funding of 10-20% for any project. It was agreed to set up a Sub-Committee to investigate further and report back to Council. The first agreement needed to be the position. Clerk to provide Terms of Reference for the sub-committee which would comprise Cllrs McCormick and Fesco and other interested villagers.</p>	<p>VT</p> <p>VT</p> <p>HMc C/SF</p>

	what issues to focus on and could extend to more than Barrington. The process could take two years and then Council would need to hold a local Referendum.
